AROUND KATHMANDU

Trip Overview

Kathmandu is a Capital city of Nepal, there are many historical heritage sites recognized with UNESCO .
Such as Pashupatinath Hindu Temple, Holy Baghmati river where Hindu people they perform the cremation ritual with open firewood, Boudhanath its a very important Budhist monument , one who enter the Stupa can feel peace instantly, Swayambhunath (Monkey temple)another Buddhist and also hindu site south west from the city center, legendary is that self existed it’s right on the top of the hill. And there are architectural old Palaces, Kathmandu Durbar Square, Patan Durbar square, Bhaktapur Durbar square known as a Ancient city etc with a lots of interesting history behind.
