KANCHANJUNGA BASE CAMP

Trip Overview

Over in eastern Nepal, treks in the Kanchanjunga region take a little more perseverance to get to and to organise. But the effort is well worth while. The most well known trek in the area is to the Base Camp but there are other areas to explore. As well as seeing spectacular views of Kanchanjunga, you may wish to visit Pathibara, one of the most sacred pilgrimage sites in Eastern Nepal. In Spring, treks in the Kanchanjunga area take you through forests of flowering rhododendron and if you are really lucky, you may spot a rare red panda!
